

LONDON BOROUGH OF NEWHAM
'IN YEAR' SCHOOL ADMISSION
COMMON APPLICATION FORM (CAF) for admission in the school year 2020/21

To be used for all state schools located in Newham

- ❖ Only those with parental responsibility for a child can apply for a school place.
- ❖ If you live in Newham and want to apply for any non fee paying schools/academies outside of the London Borough of Newham visit the website of the borough where they are located for the application process.
- ❖ If you name one or more of the schools who are own admissions authority schools (academies and faith schools) we will pass the form to them for consideration under their admissions arrangements.
- ❖ If you are a Newham resident and were planning to only apply for schools/academies outside Newham we strongly recommend that you also complete this form and name your local school (excluding faith schools) as one of your preferences as this is the school where most children will have the highest priority for a place. If your child is already in a Newham school and you only want them to move to a school outside of the borough you do not need to complete this form but you must complete the process detailed on the website where the school/academy is located.
- ❖ All school places are offered in accordance with their published admission arrangements. For all schools located in Newham these can be found on the Newham and the schools own websites.
- ❖ We cannot guarantee that we will be able to offer your child a place at one of your preferred schools as this is dependent on supply and demand. However if the child is a Newham resident and is without a school place or the offer of a school place we will allocate an alternative school place if we cannot meet any of your preferences; this will be at the closest school to your home that has a suitable vacancy.
- ❖ If you live outside Newham you can apply for schools/academies located in Newham using this common application form. If we can offer a place at one of your preferred Newham schools we will notify your home authority and send you an offer letter. If we do not have an available place in any of your named schools we have no statutory obligation to allocate an alternative school in Newham – this is the responsibility of your home authority.
- ❖ We cannot automatically allocate places to all children in your family if you submit one application. You must apply for each and every child who is of school age.
- ❖ We cannot automatically reserve a place for your child at your local school. To be considered for any school place in Newham you must name it on your application.
- ❖ If as a result of this application your child is offered or allocated a place in a school/academy in Newham, and you have supplied your national insurance number/asylum seeker reference this form will be used to register your child to eat for free and initiate a free school meal claim. Your national insurance number will not be shared with the school or other parties.
- ❖ If you are member of staff at the school you are applying for please indicate this in section 5.
- ❖ Please answer all questions to the best of your knowledge in conjunction with the relevant documents, as failure to provide some answers will delay the processing of your application and may result in it being returned to you for full completion. If you supply information that is incorrect and deliberately misleading we reserve the right to withdraw any schools places offered even if your child has been taken on roll.
- ❖ Completed, checked and signed forms must be returned by post without delay to **Pupil Services, Newham Dockside, 1000 Dockside Road, London, E16 2QU.**

* The reason we need this information is to allow the Council to process a free school meal claim for your child in order to maximise the extra grants and/or money we can claim from the government to pay for free school meals, sports, music, after school activities, day trips and trips away from home for Newham children attending Newham maintained schools.

5. School Preferences (the schools you would like your child to attend)

- A. Please write the name of **up to** SIX schools/academies located in Newham for which you wish to apply that are relevant to your child's age group. We strongly recommend that you name your local non faith school as at least one of your preferences as this is the school where most children have the highest priority for a place. You cannot use this form to apply for private schools.
- B. **You do not have to name six schools**, but it may assist us when allocating a school place for your child. Remember the more schools you name the more your child will be considered for.
- C. If you are applying for a VA Faith School please remember to complete their Supplementary Information Form (SIF) as well if you want to be considered for a faith based place. If you complete a SIF without naming the school on this form your application will not be considered and the school will not be able to offer your child a place even if there is a space available.
- D. You must list the schools in the order you prefer them – this is known as ranking. Your 1st preference should be the school you would most like your child to attend, followed by your next preferred school and so on.
- E. We will not automatically reserve your child a place at your local school, your catchment area school or the school where you other children attend or have attended. If you would like a place at your local school you must name it as one of your preferences on this form. .
- F. Please include the name and date of birth of any sibling (brother or sister) who is already attending any of the schools you have named as your preferences below. For a sibling connection to be considered the sibling must be on roll at the school on the date you apply and they must be reasonably expected to still be on roll at the time of admission for this child. If you do not supply the sibling's name, this child will not get sibling priority for a place at your preferred school, even if the authority has a record of the sibling on their database. You must enter their full name as shown on the schools register, if you just enter YES in the sibling column your child may not get the sibling priority as we may not be able to locate the siblings details, for example because they have a different family name to this child.
- G. If you are member of staff at the school you are applying for please indicate this in the reason for preference box below.
- H. Please use the column on the right, **only** if you wish to give reasons for your preference for any school, you do not have to supply a reason but we recommend you do so. These might include religious, philosophical or any other reasons. Even though every effort will be made to take your reasons into account when making our decision, in the first instance we are legally required to offer all school places in accordance with our admission arrangements.
- I. If we are unable to offer your child a place at any of the schools you name as your preferences, only if you are a Newham resident we will allocate your child an alternative place which will be at the school closest to your home that has reported a suitable vacancy in your child's year group at the time we consider your application. This may not be close to your home but it will be the closest with a vacancy that can be allocated to your child – if the school allocated is far from your home it means all the schools close to your home are full in your child's year group. We will offer you the right of appeal for a place at any of the schools where you have applied and been refused a place and for any Newham schools your child will be added to their waiting list for each school you have ranked higher than the school offered or allocated. Also see G above.

School Preferences You can only name schools and academies located in Newham	First name, surname and date of birth of any sibling* already attending the school	Reasons for Preferences (Optional – see note I above).

<i>Preference 2</i>		
<i>Preference 3</i>		
<i>Preference 4</i>		
<i>Preference 5</i>

- Sibling normally means a brother or sister, but you should check the admission criteria for the full meaning for admission purposes.

6. Other School Aged Children

Please write in the details of all your other children aged between 4 and 18 years – only name children who you are the parent/ carer of.

You must also complete an application for each of these children – naming them only here will not get them a school place.

Additional Information – For Fair Access Purposes Only (sections 7 to 10)

The Department for Education Code of Practice for School Admissions states that the Local Authority must consider the circumstances of the individual child when offering/allocating school places, in order to best meet their needs.

In order to determine whether your child should be considered under our Fair Access Protocol it would be helpful if you could answer the questions below as these will enable us to offer the school place that can best meet their needs.

Newham applies its admission arrangements which include our admission criteria and our Fair Access protocol in order to seek to achieve this government requirement. This does not mean that all children will be given a place at their parent's preferred school but this protocol does ensure that all children from specified groups will be given a school place that can best meet their needs.

As we do not need the answers to the following questions to apply our published admissions criteria, we can offer your child a school place without this information. This means that your answers to the following questions are **optional**, which means you do not have to supply them.

12. Mandatory Documents for School Admission in Newham

It is a Newham requirement that a school are provided with acceptable proof of your child's date of birth, home address, doctor, dentist and those with parental responsibility before admission can take place.

These must show you current address but if this is different to the address on this application form you must provide proof of this address as well.

Any proof of address must be addressed to one or both of the child's parent/carers as detailed on this form.

For Newham schools you must supply these proofs at the time of the admission meeting unless it is a requirement on a Supplementary Information Form (SIF).

In other boroughs they require the proof at the time of application, this means if you apply for a school/academy outside of Newham you may be required to attach the proof of date of birth and address, plus other document they require at the point of application. To find out the process you will need to check the website where the school/academy is located.

If you cannot or refuse to provide this proof admission will be delayed or may be refused.

Please add your child's name and date of birth to the photo copies, you are attaching to this form.

Proof of the child's legal name and date of birth:

- **UK Birth Certificate** – short or long versions (non UK birth certificates cannot be accepted as they may be in a language other than English)
- OR
- **Valid Current Passport** (the child maybe included on their parents' valid current passport)
- OR
- **European Economic Area* (EEA) Identity Cards**
- OR
- **Official Documentation from the National Asylum Seeker Service** indicating they are supporting the family e.g. ARC application registration card

Application registration card (ARC) ARC is a credit card sized document issued to asylum applicants after screening to show that they have applied for asylum. It is also used as evidence of identity, immigration status and entitlements in the UK. It holds identifying information including fingerprints and reporting arrangements in a microchip within the card.

Note: only **Adoption or Deed Poll** documentation can be accepted as proof of a child's official name change following the issue date of any of the above documents.

Proof of the child's main address:

Documentation to confirm the child's current home address must be addressed to at least one of the parent/carers detailed on the Common Application Form (CAF) who must live at the same address as the child.

If the child has moved since the application form was completed proof of both their new address and the address on the application form must be provided. Pupil Services must be notified of any address change since the Common Application Form CAF was completed in case the place may have been secured by fraudulent means.

If a child's parents are not living together and the child spends a few days in both households on week days, then best practice is to take proof of both addresses, but for admission as a minimum, they must provide proof of the address registered on the CAF which should be the one from which the child goes to school in the morning most often on week days.
