

Do you live and work in Newham?
Do you have questions or concerns about
Female Genital Mutilation (FGM)?

Newham Domestic and Sexual Violence Support Services provides the following:

- **Confidential one-to-one support and advocacy for women affected by FGM.**
- **Community empowerment and awareness sessions.**
- **Tailored training to your staff team**
- **Information, guidance resources over the phone or by email.**

Female genital mutilation, 'cutting' or 'circumcision' can cause serious health consequences for girls and women. It is a human violation and illegal under UK law.

The Newham Domestic and Sexual Violence Support Services provides services to all residents affected by domestic and sexual violence.

If you think someone is at immediate risk of FGM contact the Police on 999.
