

London Borough of Newham

Notice of Review of Polling Districts and Polling Places

Section 18C (4) of the Representation of the People Act 1983 (as amended) The Electoral Registration and Administration Act 2013

The Local Government Boundary Commission for England undertook an Electoral Review of the London Borough of Newham ward arrangements. There will be an increase of Wards from 20 to 24, which results in changes to the current ward boundaries and the Polling Districts within them.

In accordance with the requirements of section 18C of the Representation of the People Act 1983 (as amended by section 17 of the Electoral Registration and Administration Act 2013), Notice is hereby given that the London Borough of Newham is about to conduct a review of polling districts and also the location of polling stations for use at both national and local elections to mirror the changes to the ward boundaries.

The outcome of the review will be reported to the Council for decision to enable the Electoral Registration Officer to make any alterations necessary to the register of electors when it is next revised on 1 December 2021. Decision making powers are delegated to me as the Council's Chief Executive and the officer appointed as Returning Officer and Electoral Registration Officer.

Representations from local residents, community groups, organisations, politicians and political parties, as well as other locally interested parties are invited to make comments in writing. Any comments should include, where appropriate, alternative venue suggestions that may be used as polling places.

The formal consultation period will begin on **Monday 19 July 2021**. Representations on the existing and proposed arrangements should be made in writing to the address below by no later than **Thursday 30 September 2021**. Details of any representations received will be made available for inspection and will be published at the conclusion of the review.

Details of these arrangements can be viewed at the Election Services Office address below (by appointment), any library in the Borough and on the Council's website:
