## WHO CAN ACCESS THIS PROGRAMME?

Places will be prioritised for children and young people in Newham, age 4 to 16, who would usually receive free school meals.

To find out more about free schools meals or to apply, please visit <https://www.newham.gov.uk/schools-education/free-school-meals/2>

## HOW DO I ACCESS THE PROGRAMME?

Every club has its own booking process, so please look through this brochure to see what's on offer and how to sign up!

Some clubs may ask you to provide a letter to confirm that your child is eligible for a free place on this programme. You can obtain a copy of this letter from your child's school.

If you need help with booking a place or accessing online information, please speak to your child's school.

## CHILDREN WITH SPECIAL EDUCATIONAL NEEDS AND DISABILITIES

Most clubs will have places for children and young people who need some additional support.

If your child has been identified as having a special educational need and/or disability (SEND), please contact the club before booking and provide as much information as possible to ensure they are able meet the needs of your child.

Our programme also includes some specialist clubs who are very experienced in providing activities and support for children with more complex SEND.
