

WE ARE STREETS.

Forest Gate and Manor Park
street survey

Newham Council would like to understand your views about road safety, air quality, walking, cycling, and traffic on the street where you live.

We invite you to respond to a quick five-minute questionnaire. Results of the questionnaire will be used to inform projects to address the views raised.

Projects could include Low Traffic Neighbourhoods, improved pavements and cycling infrastructure, increased planting, greenery, and more.

To complete the questionnaire, please visit newhamco-create.co.uk/en/projects/street-survey

The questionnaire will close on 10 July 2022
