

# Domestic Abuse 16 Days of Action

## Calendar of events

This year we are challenging domestic abuse against survivors of all genders and identities during 16 Days of Action, running from Monday 25 November, the International Day for the Elimination of Violence Against Women and Girls, to Human Rights Day on Tuesday 10 December.

We are holding a calendar of events alongside our partners, including workshops, in-person advice stalls and talks.

The events are open to all residents and professionals in Newham (aged 16+).
